The image shows a matching exercise. On the left, under the heading 'ANIMAUX', there are seven illustrations of animals: a monkey, a dog, a squirrel, a bear, a cat, a koala, and a rabbit. On the right, under the heading 'ALIMENTS', there are seven illustrations of foods: a leafy branch, a fish, nuts, a banana, a bone, a carrot, and a mouse. Green lines connect each animal to its preferred food: the monkey to the leafy branch, the dog to the bone, the squirrel to the nuts, the bear to the fish, the cat to the carrot, the koala to the branch, and the rabbit to the mouse.
